

WHO WE ARE

Founded in 1970, the Junior Service League of Brazosport (JSL) is a charitable organization whose mission is to develop women who serve the Brazosport community through volunteerism, leadership and charitable giving. More than 250 active and sustaining members, the best and brightest women of the community are continually recruited to join our ranks.

Countless volunteer hours will be donated by members to further community projects and endeavors through service projects or fund raising. Service projects take many forms and vary from year to year; however, the goal of every member and project is to fill a need that otherwise would not be met. We invite to you to join along side of us as we continue to support our community

STUFF THE BUS

SERVICE PROJECTS

PROVISIONAL PROJECT

Stuff the Bus is a partnership between JSL and our community to collect supplies which help Angleton ISD and Brazosport ISD school nurses and teachers keep students healthy throughout the school year. These items are needed to keep our students healthy while they learn.

Through community and sponsorship donations we were able to donate 2,699 items to Brazosport ISD and Angleton ISD. Thank you for stuffing the bus for healthy learning environments at Angleton ISD and Brazosport ISD!

JSL service projects take many forms and vary from year to year; however, the goal of every member and project is to fill a need that otherwise would not be met. JSL members make a real contribution by volunteering in service projects. We have a 45 year history of providing continuous financial support to our community through our fundraising efforts.

Each first year class works together on a project to benefit the community. The project is decided upon by the newest JSL members, planned and executed together and then supported by the community. For their project, the first year class has chosen a color run to benefit the Womans Center of Brazoria County.
